

Northeast Regional Environmental Acoustics Seminar Series 2017

Hosted by the University of New Hampshire, Collaborative Research
Excellence Initiative

University of
New Hampshire

12 September 2017 (12:00-13:00)

Information Entropy of Humpback Whale and Leopard Seal Calling Sequences

Dr. John Buck, University of Massachusetts Dartmouth, Electrical & Computer
Engineering Department

Join URL: <https://unh.zoom.us/j/801166132>

10 October 2017 (12:00-13:00)

*Making high-stakes decisions in complex acoustic environments; revisiting the
Cocktail Party problem in a multimodal sensory context*

Dr. Daniel Howard, University of New Hampshire, Department of Biological
Sciences

Join URL: <https://unh.zoom.us/j/558412897>

14 November 2017 (12:00-13:00)

TBD
